

Los Angeles is a sprawling city of 500 square miles and the heart of a metropolitan area with 18 million residents. It is a fabled California region, home to Hollywood and America's entertainment industry with year-round sunshine, world-famous beaches, and an intense car culture. The "City of Angels" is a magnet to people from around the world and a uniquely exciting environment.

Los Angeles is one of the top ten city matches for 11.5% of Teleport users.
